Total net returns represent past performance only. **Past performance is not a reliable indicator of future performance.** Total returns (net) have been calculated using exit prices and take into account the applicable buy/sell spread and are net of Fidelity's management costs, transactional and operational costs and assumes reinvestment of distributions. No allowance has been made for taxation or for any fees charged by operators of master trusts or wrap accounts through which the products are offered. Returns of more than one year are annualised. Returns of the Fund can be volatile and in some periods may be negative.

Industry breakdown %

Geographic breakdown %

Fidelity funds are available on platforms and mastertrusts via financial advisers. Investors who wish to place at least \$25,000 in a single fund can invest with us directly. For further information, please visit www.fidelity.com.au or call Client Services on 1800 044 922.

This Fund is unhedged and is subject to the risk of fluctuations in international stock markets and currencies. Management costs and the buy/sell spread are current as at the date shown above but may be subject to change in the future. Management costs include GST but exclude abnormal expenses and transactional and operational costs. Investors accessing the Fund through a master trust or wrap account will also bear any fees charged by the operator of such master trust or wrap account. Any apparent discrepancies in the numbers are due to rounding.
