Why are we asking you to complete this self-certification tax form?

The collection of tax status is in accordance with the United States Foreign Account Tax Compliance Act (FATCA) and Organisation for Economic Cooperation and Development (OECD) Common Reporting Standard (CRS).

Under the CRS, we are required to determine where an account holder is 'tax resident' (this will usually be where you are liable to pay income taxes). If you are tax resident outside the country where your account is held, we may need to give the national tax authority this information, along with information relating to your accounts. That may then be shared between different countries' tax authorities. (You can find more information on the OECD automatic exchange of information website: www.oecd.org/tax/automatic-exchange)

Completing this form will ensure that we hold accurate and up to date information about your tax residency. If your circumstances change and any of the information provided in this form becomes incorrect, please let us know immediately and provide an updated self-certification tax form.

If you do not provide the below information, we will not be able to accept your application.

Please note, applications from US citizens or US residents who have an obligation to pay tax to the US tax authorities on their worldwide income will not be accepted.

M.2 Anti-money laundering and counter-terrorism financing laws

Under anti-money laundering and counter-terrorism financing laws, we have obligations to address money laundering and terrorism financing risks. We reserve the right to request such information as is necessary to enable us to:

- Comply with our obligations under relevant laws, including reporting relevant matters to Australian Transaction Reports and Analysis Centre (AUSTRAC).
- Verify the identity of an investor and (if appropriate) any beneficial owner of the investor, and collect details such as an investor's occupation (for individuals) or business activity (for companies/other entities) as well as investor's source of investment funds.

In the event of a delay or failure by the investor to produce any information required for verification purposes, we may refuse to accept an application. We may also refuse to process a transaction in relation to your investments, or delay or block or refuse a transaction, where we have reasonable grounds for believing that the transaction will breach relevant laws.

By signing this Application form, you acknowledge, understand and agree that:

- FREAL may be required to carry out a procedure to verify your identity before processing your application and carrying out your investment instructions from time to time thereafter.
- FREAL may request or require additional personal or entity information in order to fulfil its legislative obligations, and failure by you to supply the required information in a timely manner may result in FREAL being prevented by law from processing your application and carrying out your investment instructions, from time to time. Where the processing of your application or the carrying out your investment instructions is delayed or refused, FREAL and its associated entities are not liable for any loss you may suffer (including consequential loss) howsoever caused in connection with our investment in a fund.

Where transactions are delayed, blocked or refused, FREAL and its associated entities are not liable for any loss you may suffer (including consequential loss) howsoever caused in connection with our investment in the a fund.
- FREAL has certain reporting obligations under anti-money laundering and counter-terrorism financing laws, including the reporting of 'suspicious matters' to AUSTRAC, and that the laws may prevent FREAL from informing you that any such reporting has taken place.
- Where legally obliged to do so, FREAL may disclose the information gathered to regulatory and/or law enforcement agencies, including the AUSTRAC.

M.3 Tax file number

If you choose not to quote your TFN/ABN or claim an exemption, we are required to deduct tax at the highest marginal rate plus the Medicare levy from any income payable to you. If provided, your TFN/ABN will apply automatically to any future investment in the fund(s) unless you indicate otherwise. You can choose not to quote your TFN/ABN or claim an exemption. Deciding not to quote a TFN is not an offence. We are authorised to receive TFN information under tax law. For more information about TFNs/ABNs please contact the Australian Taxation Office.

Tax file number exemption details

Any applicant who has a TFN but is exempt from tax should still quote their TFN. Exempt applicants should then indicate their exemption in the relevant section of this form to avoid tax being deducted from any income distribution. Applicants in the name of a trustee on behalf of a minor should quote their TFN.

This applies whether or not there are circumstances which might suggest that the Communication was unauthorised, unless the Recipient has actual knowledge that the Communication was unauthorised.

- You release and indemnify each Recipient and its associates against any cost, expense, liability or claim suffered or incurred by any of them as a consequence of accepting and acting on a Communication given by fax or email.
- We may determine, from time to time, which instructions, notices or forms will be considered to be Communications that we can receive by fax or email or in relation to which a Recipient is bound to honour. Generally, only those forms that expressly state can be sent to a Recipient by fax or email may be given to a Recipient in this manner.
- We reserve the right to suspend or cancel the facility by which a fax or email can be given to a Recipient.
- You agree to comply with our terms and conditions, as they may change from time to time, in relation to sending Communications by fax or email, including complying with any security or verification procedures established or required by a Recipient from time to time.
